GRAN TURISMO - KEY SELLING POINTS

- **Power and control**

With its inboard engines, the Volvo Z-Drive D6 (2X380 CV/HP) or the Volvo IPS D6 (2X 440 CH/HP), and its Air Step® hull which has further confirmed Beneteau's reputation for producing dynamic, high-performance boats, the Gran Turismo 45 offers outstanding performance and optimal safety, whatever the conditions.

- **Full access to a wide range of sea-going leisure pursuits**

The vast hydraulic bathing platform is perfect for enjoying water-based leisure activities. Recreational and practical, the GT 45 has an ingenious tender garage hidden under the aft sun deck. This garage will rapidly prove its worth due to its electric winch and cover, and can be converted into a very useful storage area.

- **Invitation to cruise**

The calm, refined atmosphere and bright, airy spaces of the lower deck provide a comfortable area in which to relax and enjoy the cruise. The owner's suite has a full-width cabin with private head and separate shower area, while the VIP cabin in the bow area has scissor berths that occupants can arrange as they wish.

- **Windows and roofs**

With a hard-top that contains an electric sunroof as standard (with optional glass panel) and, if desired, a retractable glass window closing off the rear of the cockpit, the GT 45 provides the perfect indoor-outdoor experience, with effective protection against the weather when needed.

The image shows the interior of a yacht's main deck. In the foreground, there is a light-colored wooden table with a tray of drinks, including a glass of pink gin and tonic with blueberries and a lime wedge. The table is surrounded by white upholstered seating with blue cushions. To the left, there is a white cabinet with a built-in oven and a small TV mounted on the wall displaying a boat on a lake. The large curved window on the right side of the image provides a view of the sea and a distant coastline under a blue sky with light clouds. The overall atmosphere is bright and airy, suggesting a high-quality, modern yacht interior.

The image shows the interior of a yacht's lower deck. On the left is a kitchen area with a white countertop, a black induction cooktop, and a sink. Above the counter are dark wood cabinets. On the counter, there is a red ceramic pot and a blue ceramic pitcher. To the right of the kitchen is a seating area with a light-colored, textured sofa and a wooden coffee table. The sofa has several cushions, including blue and white ones. The coffee table has two bottles on it. In the background, there is a porthole window and some built-in shelving. The ceiling has recessed lighting. The overall design is modern and functional.
