FLY VERSION

## Intelligent evolution

Whilst remaining true to the DNA of the Swift Trawler family the 41 advances the innovation required to meet clients evolving demands. The 41 introduces a number of firsts. The first Sedan Swift Trawler, the first with galley and bar top aft for optimum service and entertainment. The first with a raised U-shaped seating forward giving 360° views and seamless communication with the helmsman. The first transformable helmseat creating seating for eight people around the dining table. First optional dual function snubbing winch for easy aft mooring and dingy retrieval. All this while retaining key features such as the transform cockpit bench, saloon sofa to double berth conversion and helm side door with adjacent bulwark gate for easy handling and circulation.

## New choices - optimum hull

This third generation Swift Trawler hull builds on Beneteau seaworthy heritage in combination with sensible consumption and performance. Both flybridge and sedan allow comfortable passage making with the large fuel and water tanks giving great autonomy. The Sedan roof offers a great base for multiple young and old leisure pursuits such as kayak paddleboard, bike to extend your adventures on-board. The large flybridge offers all the dining and relaxing facilities you could wish for with panoramic views.

## The ultimate “generational” boat

The design of the Swift Trawler 41 provides easy circulation, space and functionality to respond to many requirements. Five berths in three cabins, with a further two berths in the saloon in combination with generous storage, and features in all areas allows grandchildren to grandparents and friends to embark on many memorable voyages...

- Sliding aft cockpit seat - class best area.
- Aft Galley / Servery – great space and functionality.
- Transform helm seat and raised u-shape sofa – giving 360° views and conviviality.
- Up to 7 berths.
- Starboard lazarette / cabin – maximum autonomy
