## MAIN CHARACTERISTICS

Length over all \_\_\_\_\_ 18.91 m / 62'  
Hull length \_\_\_\_\_ 17.09 m / 56'1"  
Hull beam \_\_\_\_\_ 4.85 m / 15'11"  
Draft \_\_\_\_\_ 1.31 m / 4'4"  
Maxi air draft \_\_\_\_\_ 4.72 m / 15'6"  
Maxi air draft  
with hardtop \_\_\_\_\_ 8.5 m / 27'11"  
Light  
displacement \_\_\_\_\_ 25010 kg / 55138 Lbs  
Full load  
displacement \_\_\_\_\_ 29700 kg / 65477 Lbs  
Berths \_\_\_\_\_ 6 + 1  
Cabins \_\_\_\_\_ 3 + skipper (opt)  
Garroni Design / Valentina Militerno de  
Architect \_\_\_\_\_ Romedis / Prestige Engineering

## CAPACITIES

Fuel capacity \_\_\_\_\_ 2200 l / 581 US gal  
Water capacity \_\_\_\_\_ 760 l / 201 US gal  
Hot water heater capacity \_\_\_\_\_ 60 l / 16 US gal  
Holding tank capacity \_\_\_\_\_ 170 l / 45 US gal

## MOTORIZATION - PERFORMANCES

Engine power \_\_\_\_\_ CUMMINS 2 x QSC 8.3 - 600 CV - ZEUS  
Max. speed \_\_\_\_\_ 23 nd  
Cruising speed \_\_\_\_\_ 18 nd

## EQUIPMENTS

Optional platform load capacity \_\_\_\_\_ 300 kg / 661 Lbs

\* Optional equipment

## THE X-LINE LEGACY

### X60, A PRIVATE ISLAND

Combining brightness, luxury and space, the new X60 takes up the obvious qualities for which the X-Line is renowned.

Its elegant silhouette expresses innovative design, bold lines and exceptional comfort.

Outdoor spaces, as generous as they are inviting, extend from the main deck to the flybridge.

Access your own suite through a private entrance ensuring comfort and tranquility.

## PRESTIGE REDEFINES SPACE ONBOARD

- Unique architecture and layout by Prestige Yachts & Garroni Design
- Harmonisation of the interior and exterior living spaces: considerable enlargement of the size of the cockpit
- Infinity cockpit opens into the exterior
- Easy circulation blends inside and outside spaces
- Innovative Beach Club provides proximity to the water and an additional entertainment space

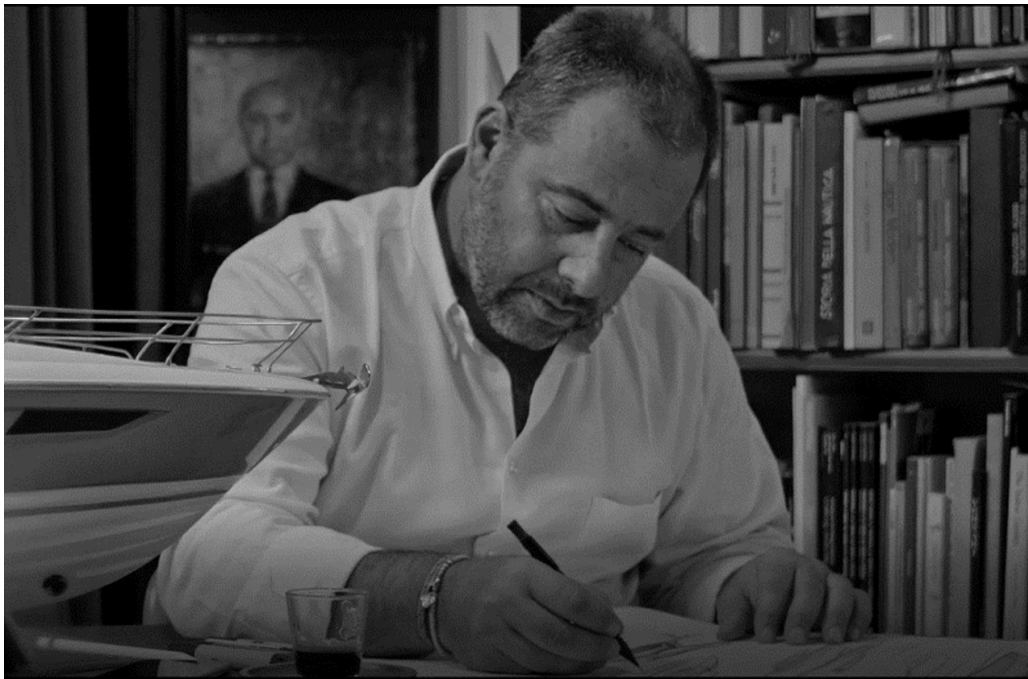

## DESIGN

X60 offers a hull in line of the Prestige DNA and a unique layout thanks to a design all redefined by Camillo Garroni, Italien Architect & Designer.

Its refined lines and dynamic curves continue to make history at Prestige Yachts. Keeping the heritage of her predecessor, this architecture is the union between exceptional living spaces and uncompromising comfort onboard. These large spaces characterise this new model where each level of finish echoes the X70.

The architectural imprint permeates the interior, playing on luminosity, volume and the quality of each material.

Designed by Valentina Militerno of Romedis, the interior design is harmonious, elegant and timeless.

## EXCEPTIONAL LIVING SPACES

- Easy access to foredeck: on port from the cockpit and starboard side window from the helm station
- Infinity cockpit opens onto the exterior
- Fully equipped with two-tones upholstery, cup holders, lighting system, individual sound system
- Innovative Beach Club provides proximity to the water and an additional entertainment space
- Flybridge layout offers you a multitude of layouts to fit with your lifestyle

## COMFORT ON BOARD

- The full beam of the yacht gives the opportunity to choose own personal layout
- Private access to master stateroom from the main deck: your own sanctuary
- Stable hull with low center of gravity, offers exceptional comfort and can be enhanced by the new Seakeeper SK18 new generation!
- Exceptional maneuverability, smooth, fuel-efficient cruising thanks to Cummins technology

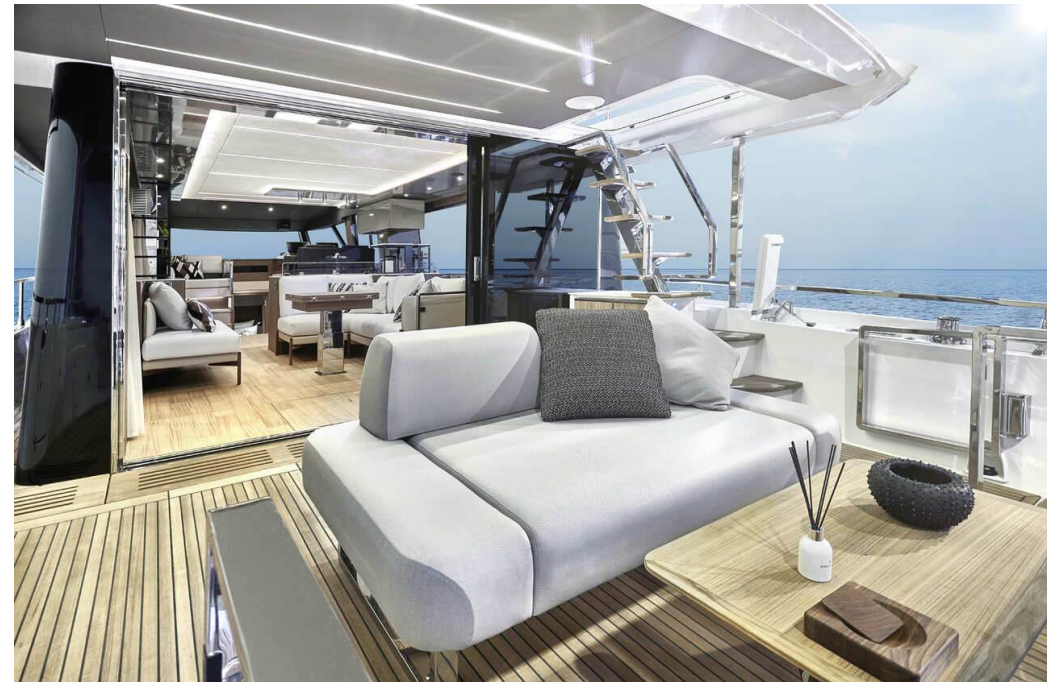

## STANDARD VERSION: INTERIOR DINING AREA

LAYOUT ACCORDING TO YOUR NEEDS AND LIFESTYLE

### Interior dining area & sun lounge in the cockpit

- Convivial and comfortable dinnette
- Large saloon with an exceptional natural light and visibility
- Central lounge island with one cocktail table

## EXTERIOR DINING AREA VERSION

### LAYOUT ACCORDING TO YOUR NEEDS AND LIFESTYLE

X60 offers you infinity of layout thanks to its single-storey.

#### Vis-à-vis sofa in the saloon, exterior dining space & lounge in the cockpit

- Large and convivial saloon with an exceptional natural light and visibility
- Duvivier sofas to starboard and port with 1 cocktail table
- island lounge with weighted backrests aft and RODA teak dining table with 2 chairs forward
- Sun awning in cockpit: protects the dining area

## HIGH LEVEL OF FINISH

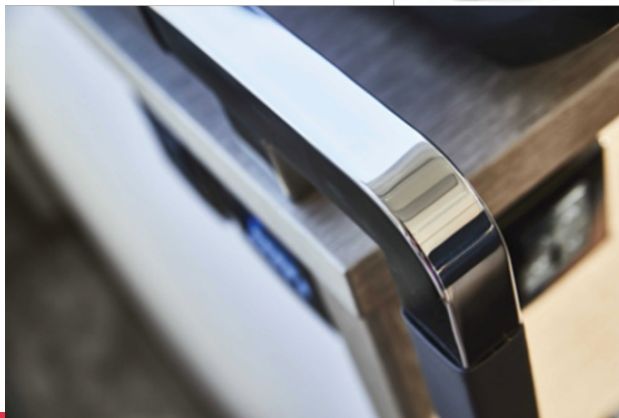

- Special care given to the woodwork and to the stainless steel welds and polish: hand-crafted expertise down to the smallest detail
- Woodworking savoir-faire:
  - Mix of various finishes: lacquer and high-gloss varnish applied manually, piece by piece
  - Varnishes came in matte, open pore & mirror-finished, high-gloss to give ultra luxurious look
- Interior decoration by Valentina Militerno who transforms her luxurious villa decoration expertise to create your own private island!
- Luxury touches can be found throughout: two-tone exterior upholstery, velvet, contemporary woodwork in the galley, marble...

## HIGH LEVEL OF FINISH

- Exceptional quality of Foglizzio leather: selection of the best skins from Europe and tanned in Italy
- Exclusive sofas, chic and made-to-measure designed by Duvivier, made in France
- Audio system is among the purest sound on the market: collaboration with Bowers & Wilkins

## EXCEPTIONAL MATERIALS

Exceptional light and visibility thanks to LED strip lighting and integrated spotlights

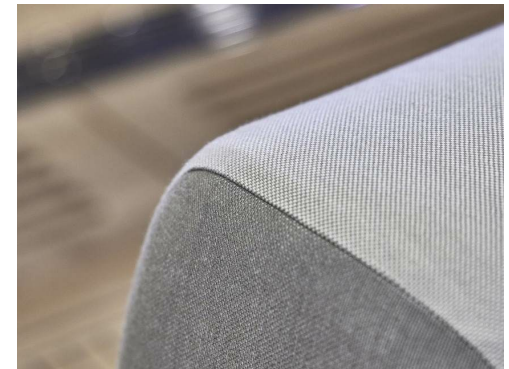

Two-tone Duvivier sofa

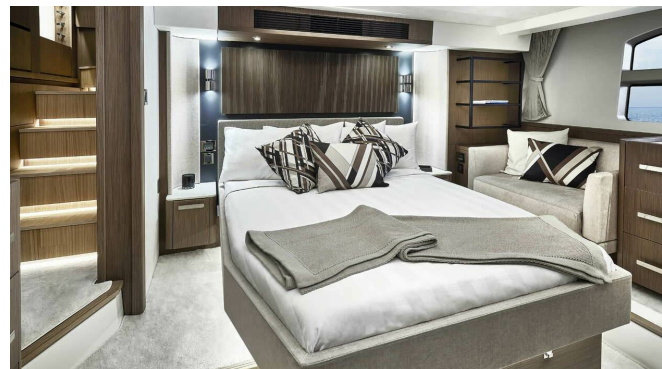

Exceptional quality of leather and high finishes

Laminam galley counter top: a natural and luxurious esthetic

New two-tone exterior upholstery

Hand-crafted wood finishes in master stateroom and main deck

High-end materials: Foglizzo leather and velvet

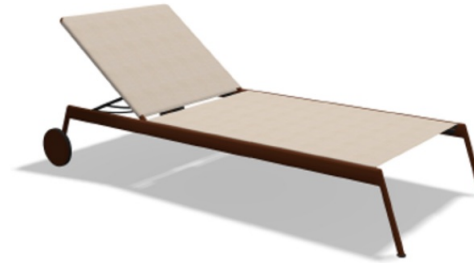

## A HIGH QUALITY OFFER

- Harmonious shade and high quality fabric
- Design furniture selected from the most prestigious brands
- A free choice of layout

Large sofa DUVIVIER in saloon, 2 colors

**R O D A**

Lounge chair on the flybridge RODA and teak director chair in cockpit

Marble dining table

## IN LINE WITH THE ENVIRONMENT

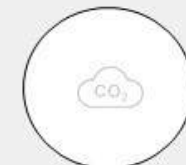

### "Combine ecology and economy"

- The search for committed, ecologically sensitive partners: a high-end, ethical and organic alliance
- An engine system that provides maximum power and maneuverability while reducing fuel consumption
- Trust and reliability: worldwide renowned certifications and a world-class warranty
- Fair trade & responsible commitment to the world's forests: use of natural materials

#### ECO PARTNERSHIP

Mona Lison (organic bed linen) - Villeroy & Boch (energy efficiency and choice of raw materials) - Foglizzo (preservation the natural beauty of leather)

#### ECO DRIVE

Significant reduction in exhaust emissions: 30% less fuel consumption and 40% more autonomy

#### RECOGNIZED LABELS

Certified for the quality of conception and construction, for environmental protection

#### SERENITY

First class warranty: now and for the future

#### SUSTAINABLE

Wood: sourced from responsible management of the world's forests

#### NATURAL MATERIALS

Fair-trade, bio/organic materials for bedding

## IN LINE WITH THE ENVIRONMENT

- An eco-design approach: environmentally friendly manufacturing process and the use of products with a low impact on the environment. Reduced consumption and emissions
- New material integrated into our composite parts used for the conception of the structural parts of the boat: **PET foam core\***.
  - **Ecological:** the product is recyclable/recycled and has no chemical treatment. It also contributes to the reduction of CO2 emissions thanks to a low-polluting transport.
  - **Lightweight and malleable:** considerable weight reduction. It avoids weakening of the structure in case of collision or overload of the boat.
  - **Resistant:** the foam absorbs damp in case of a leak and does not decay in the hull.

\*composite part used in the sandwich method of shipbuilding.

### INFUSION

Which traps solvents and prevents release of volatile organic compounds into the air

### ECOLOGICAL PRODUCTS

Varnishing/ low level of solvents and curing by UV lamps

### RECYCLABLE COMPOSITE

Use of PET foam, which is 100% recyclable by the water bottle industry and 10% recycled.

"An eco-responsible attitude with a high level of commitment."

# SHIP CONTROL TECHNOLOGY: CONNECTED BOAT

## SHIP CONTROL

 — LIGHTING

 — CLIMATE CONTROL

 — NAVIGATION

 — AUDIO

 — BATTERIES

TANKS — 

MANAGE AC SOURCES — 

BILGE PUMPS — 

ENGINES — 

 08:24 

Welcome screen

*Shows status of navigation lights and projectors*

 **Lighting**  
Manage lighting (ON/OFF/dimmer) for each area (saloon, cabins, galley...)

 **Climate control**  
Compressor control and management of thermostat controls for each zone

 **Navigation**  
- Display navigation information  
- Chain counter for windlass

 **Audio**  
- Audio controls by zone (saloon, flybridge, cockpit)  
- Source selection and control (ATOLL or Fusion)

 **Batteries**  
- Monitor battery levels across multiple banks (house, engine, thrusters...)  
- Monitor consumption, charging and general battery health (if additional IBS monitoring is installed)  
- Display alarms

 **Tanks**  
- Monitor levels in each tank (fuel, water, holding tanks ...)  
- Discharge  
- Consumption  
- Display alarms (high or low level)

 **Manage AC sources**  
- Manage AC sources and selection (between shorepower, genset and inverter)  
- Display alarms (reversed polarity)

 **Bilge pumps**  
- Operation of bilge pumps  
- Display alarms

 **Engines**  
Display engine information

**Connectivity**  
Display Ship Control on all navigation screens and through wireless devices connected to the wifi network onboard  
Smartphone compatibility starting with version V8.7.1

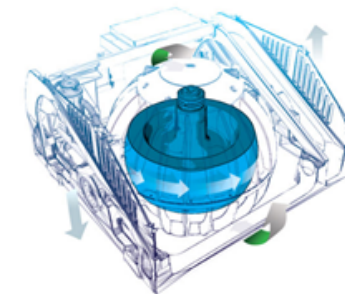

## TECHNOLOGY & INNOVATION - SEAKEEPER

### SEAKEEPER 6 & 9

Efficient, quiet and convenient technology without any maintenance. Reduced seasickness, fatigue, anxiety and improved safety on board (up to 95%)

- 1 Seakeeper controlled by the dash display. The display is simple to use, it integrates into existing dash units for optimal performance.
- 2 Seakeeper's vacuum encapsulation enables the flywheel to spin roughly three times faster. Moreover, because the critical components are sealed for life in a vacuum, they are forever isolated from the marine environment.
- 3 Seakeeper's active control offers unsurpassed level of performance. Seakeeper is effective at all speeds and can be used in all sea conditions.
- 4 Cooling system allows the flywheel to spin at an extremely high rate of speed, providing ultimate performance in the smallest and lightest package possible.

## KEY FEATURES

- A Opening door to helm station with starboard side decks access
- B Hardtop (standard)
- C Foredeck with lounging area

## KEY FEATURES

- A High-capacity hydraulic platform standard in option
- B Opening Beach Club
- C Infinity cockpit
- D Modular sun lounger
- E Spacious entertainment space on the foredeck
- F Access to the flybridge thanks to the wide staircase
- G Fully equipped entertainment galley

## PRODUCT FOCUS - SUN AWNING

- A Forward sun awning with carbon fiber poles (see foredeck lounge package)
- B Hardtop (standard)
- C Flybridge Sun awning with carbon fiber poles (in option)
- D Cockpit sun awning with carbon fiber pole (in option)

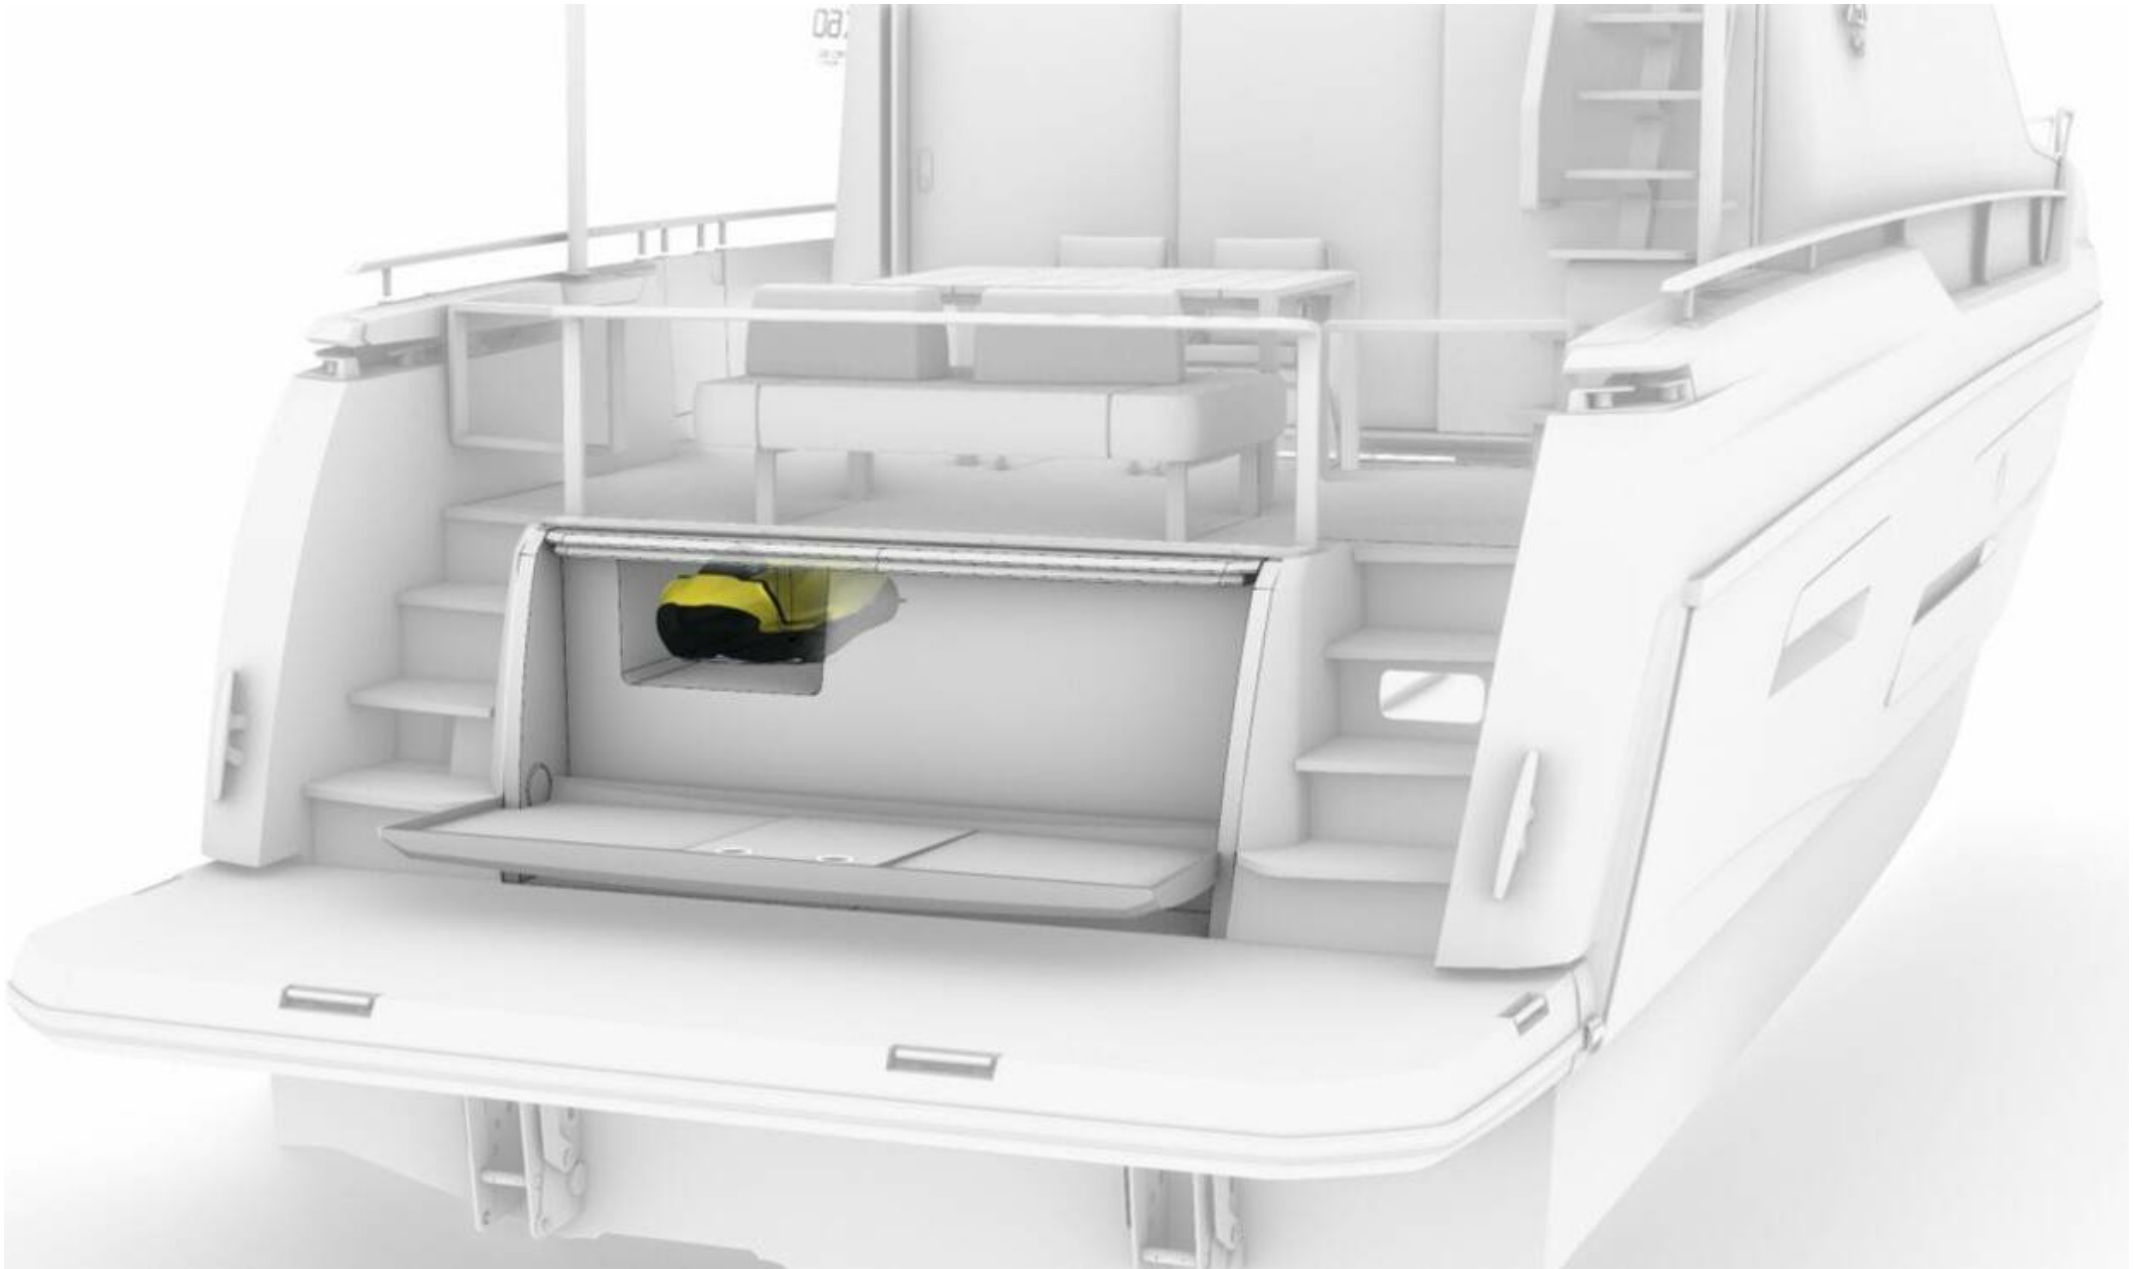

## PRODUCT FOCUS - EXTERIOR STORAGE ON COCKPIT

- Dock lines storage on port & starboard
- Large storage under the fly staircase

## PRODUCT FOCUS – EXTERIOR STORAGE BEACH CLUB

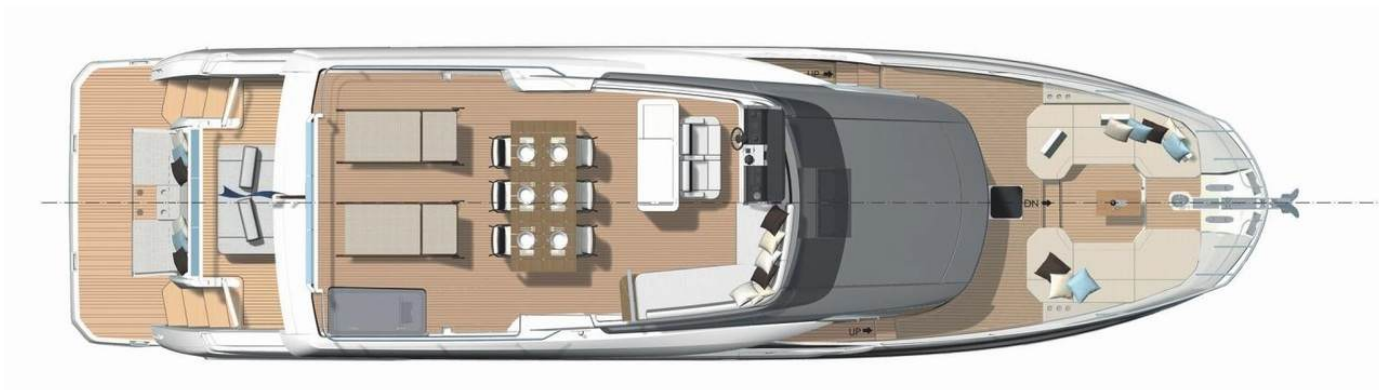

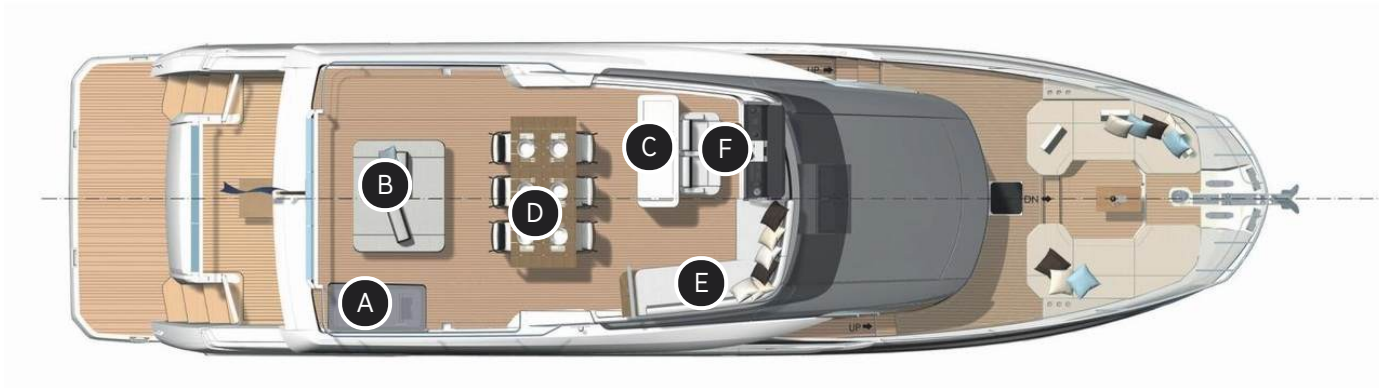

Storage instead of beach club

CONFIDENTIAL - NOT TO DISCLOSE OUTSIDE THE PRESTIGE NETWORK

## FLYBRIDGE

- A Access from cockpit
- B Relaxation area with central sofa
- C Galley, storage, fridge or ice maker (option)
- D Convivial dining space can accommodate 6 people
- E Large L-shaped two-tone seating bench
- F New full steering station

## FLYBRIDGE - YOUR LIFE ONBOARD

A large flybridge: +30% more space, new layout!

## FOREDECK

### RELAX SPACE

---

New layout to optimize space and visibility (from helm station)

- Fully equipped with two-tones upholstery, cup holders, lighting system, individual sound system
- Sun awning with carbon fiber poles
- Large storage under the sits
- Coffee table in the center
- Secure and comfortable

Optional forward lounge

## EXTERIOR MAIN DECK - STANDARD VERSION: INTERIOR DINING AREA

- A** Large hydraulic platform: facilitates access to the water
- B** Beach Club with large sunpad, lighting and individual sound system for relaxation and entertaining (see Beach Club package)
- C** Infinity cockpit: exceptional comfort on board
- D** 1 cocktail table aft and central island lounge with weighted backrests
- E** Access to the flybridge and large storage under the stairs, option : freezer or ice maker

## PRODUCT FOCUS - VERSION STANDARD: INTERIOR DINING AREA

- A Extra IPS joystick in rear cockpit in option
- B Large cockpit sun lounge with movable backrests
- C Stairs to access to the Flybridge
- D Electric opening bay window in option

## PRODUCT FOCUS - OPTIONNAL VERSION: EXTERIOR DINING AREA

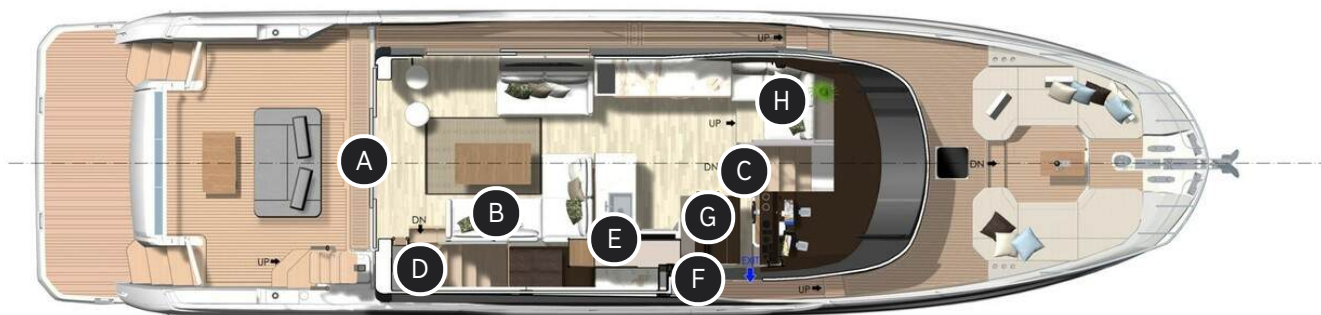

- A Island lounge with weighted backrests aft and RODA teak dining table with 2 chairs forward (option)
- B Sofas to starboard and port with 2 PAOLA LENTI cocktail tables

## PRODUCT FOCUS - OPTIONNAL VERSION: EXTERIOR DINING AREA

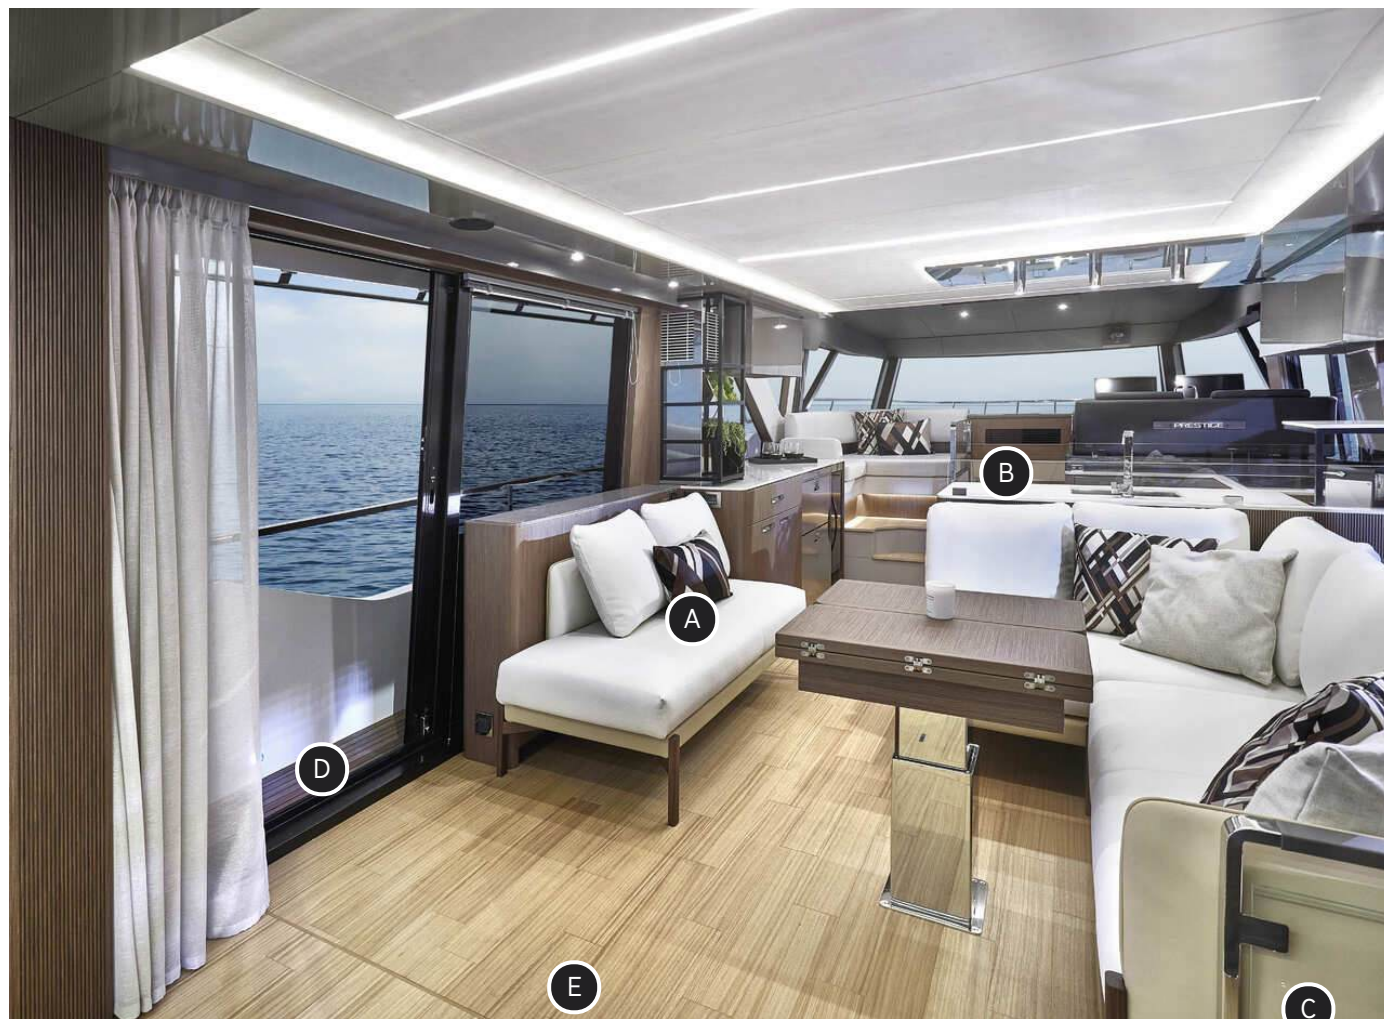

# INTERIOR MAIN DECK - STANDARD VERSION: INTERIOR DINING AREA

- A** Large opening bay window on port in standard: exceptional natural light & easy circulation in and out
- B** Duvivier sofas
- C** Access to VIP & Guests staterooms
- D** Access to Master stateroom
- E** Fully-equipped central galley
- F** Sliding door for a direct access to the starboard side deck
- G** Ergonomic and fully-equipped helm station for optimal navigation comfort
- H** Convivial L-shaped sofa on port

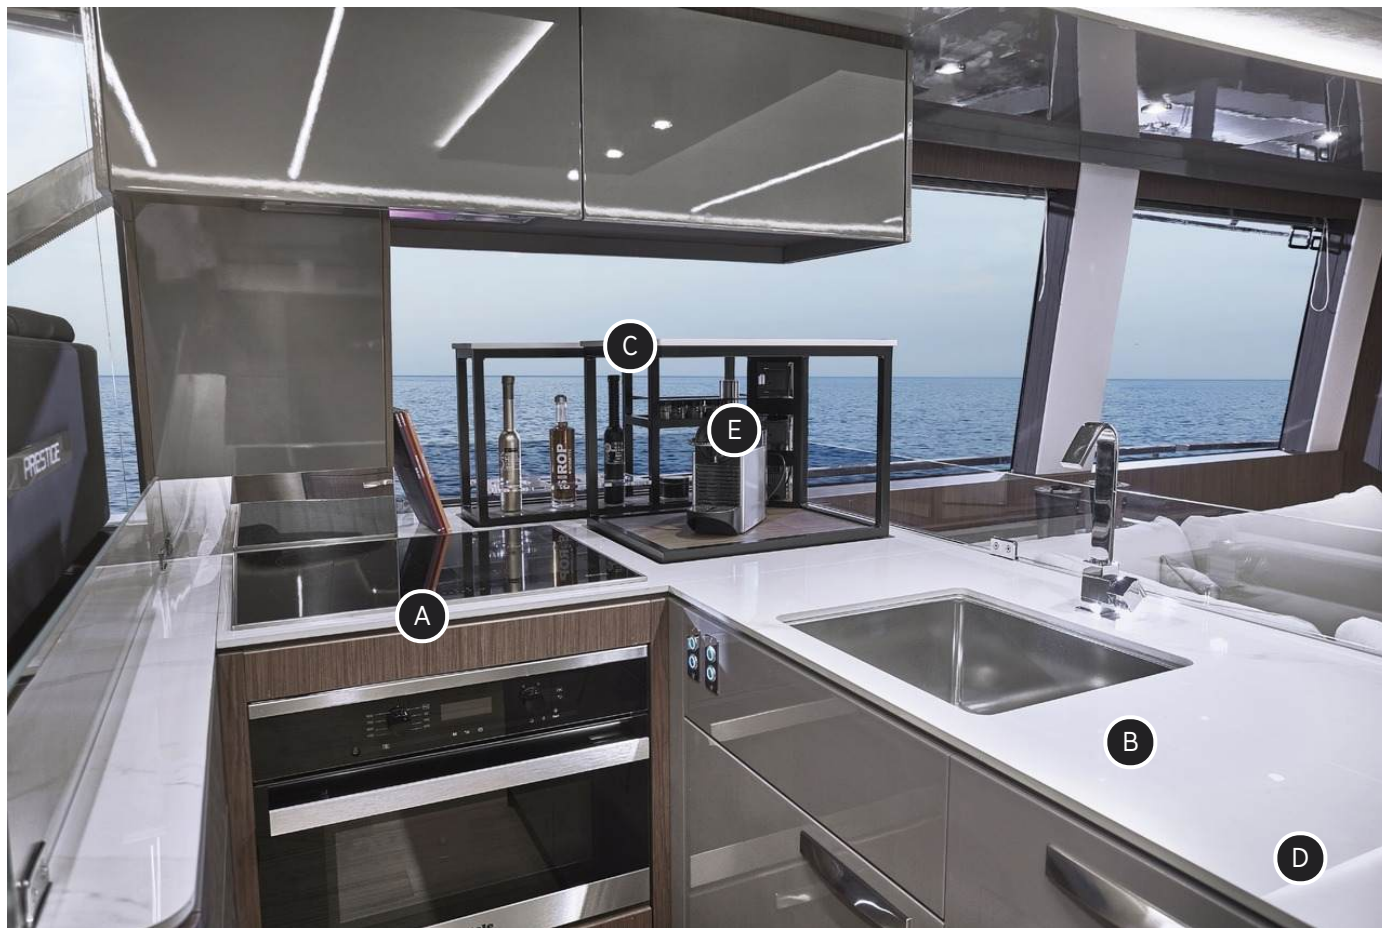

## PRODUCT FOCUS - STANDARD VERSION: INTERIOR DINING AREA

- A Two-tones Duvivier vis-à-vis sofas
- B Direct access to VIP and Guest stateroom
- C Private entrance to the master stateroom: your private sanctuary
- D Large opening bay window on port in standard: exceptional natural light & easy circulation in and out
- E Easy to move around inside and outside, as the floor is flat

## PRODUCT FOCUS - CENTRAL GALLEY

- A On starboard: galley hood, combined convection oven & microwave, induction cooktop, dishwasher
- B Marble counter tops: a natural & luxurious feel
- C New electrical storage to optimize the space
- D On port: Refrigerator/freezer (option), wine cabinet and additional storage
- E Nespresso coffee machine integrated (see Art de Vivre package)

## HELM STATION

- Ergonomic and fully-equipped for optimal navigation comfort
- New pilot bench for 2 people
- Sliding door for a direct access to the starboard side deck: direct access to the foredeck
- 2 multifunction Garmin screens (16" in option) all equipped with electronic navigation and Ship Control

## PRESTIGE X60 - ELECTRONIC PACK

### Fantom 18x - Solid-state radome with MotionScope Technology™

- **50 W Solid-state dome radar** (Low power consumption, instant turn on and no warm up delay)
- **MotionScope™ technology** uses the Doppler effect to detect moving targets so you can avoid potential collisions
- Basic features: Dynamic Auto Gain, Sea Filter, MARPA support, Radar overlay, Guard zone
- **Advanced features:** Auto Bird Gain, Echo Trails, Pulse Compression, Target Size, Dual Range
- Excellent close- and long-range detection from 6m to 48 nm

### VHF 315i / VHF 315

- Up to 25W transmission output
- **All functions and settings are managed via the GHS 11i/GHS 11**
- 4" active speaker with volume knob (supplied)
- Initiate a VHF call directly from your Garmin NMEA 2000 plotter and VHF
- Full Class D Digital Selective Calling (DSC) with built-in DSC receiver
- VHF 315i fits for **EMEA** / VHF 315 fits for **US/Canada**

### GPSMAP® 1223/8416

- **12" or 16' full HD IPS touchscreen display**
- Built-in 10Hz GPS/GLONASS/GALILEO receiver
- **Built-in Wi-Fi® for ActiveCaptain™ connectivity**
- **Radar compatible**
- NMEA® 0183 and NMEA® 2000 compatible
- **AMS Compatible**
- Built-in **Traditional sonar** and **ClearVü/SideVü** scanning sonar with CHIRP technology
- Transmit power: 1 kW RMS (8000 W peak-to-peak)

### Reactor™ 40 Mechanical

- **Solid-state 9-axis AHRS**, reacts to the sea to hold course, even when the boat is unstable
- Minimises heading error, course deviation, rudder movement, power consumption, while providing a comfortable ride
- Minimal commissioning and calibration
- Provides advanced features to compatible Garmin chartplotters such as route following, route engage, and Autopilot Virtual Device

## PRESTIGE X60 - OPTIONS

### GMR™ Fantom 54 - 50W Open array radar with MotionScope Technology™

#### MotionScope™ technology

- Dynamic Auto Gain, Sea Filter, MARPA support, Radar overlay, Guard zone, Auto Bird Gain, Echo Trails, Pulse Compression, Target Size, Dual Range
- Excellent close- and long-range detection from 6 m to 72 nm

### AIS 800 - AIS Transceiver Black Box

- AIS Transceiver Black Box
- Integrated splitter box
- Show AIS target and data directly on the screen
- Alarm (CPA) via Radar to avoid collisions
- Integral GPS receiver and Dual channel AIS receiver
- Class A and class B reception

### gWind Wireless 2

- Solar panel mounted on the transducer arm
- Internal solar-charged battery lasts 3 years and is easily replaced
- Wind transducer connects wirelessly to a compatible GPSMAP

### GTV5 - TV Sat Domes (Dummies)

- Pair of empty TV Sat domes
- GTV5 : 45 cm diameter antenna
- Dummies units only

### GC200 IP - Marine camera

- 2.0 MPixel 1/2.8" SONY STARVIS CMOS
- Resolution : up to 1920 x 1080 pixels
- Viewing angle: 99.0° x 74.0°
- **Automatic infra-red functionality**, for day/night (and low-light conditions)

### GT51M-THP - Scanning sonar transducers

- Provides clear and crisp fish arches with superior target separation as well as clear pictures of objects, structure and fish that pass below and to each side of your boat
- Traditional CHIRP : 600W (mid-band CHIRP 80-160 kHz)
- CHIRP ClearVü/SideVü : 500W (CHIRP 260/455 kHz)

### GC255 - Docking camera

- HD resolution for excellent quality images with Digital zoom and digital pan features
- Offers **Guidance Lines** (user configurable) helpful to judge approximate position of the vessel.
- **Distance Markers** feature available (for OEM calibrated systems only), will provide visual guidelines around the vessel for added confidence, showing accurate indicators from 1 to 5m lengths.
- **Birds Eye view** (for OEM calibrated systems only), will give a projected overhead view of the boat.

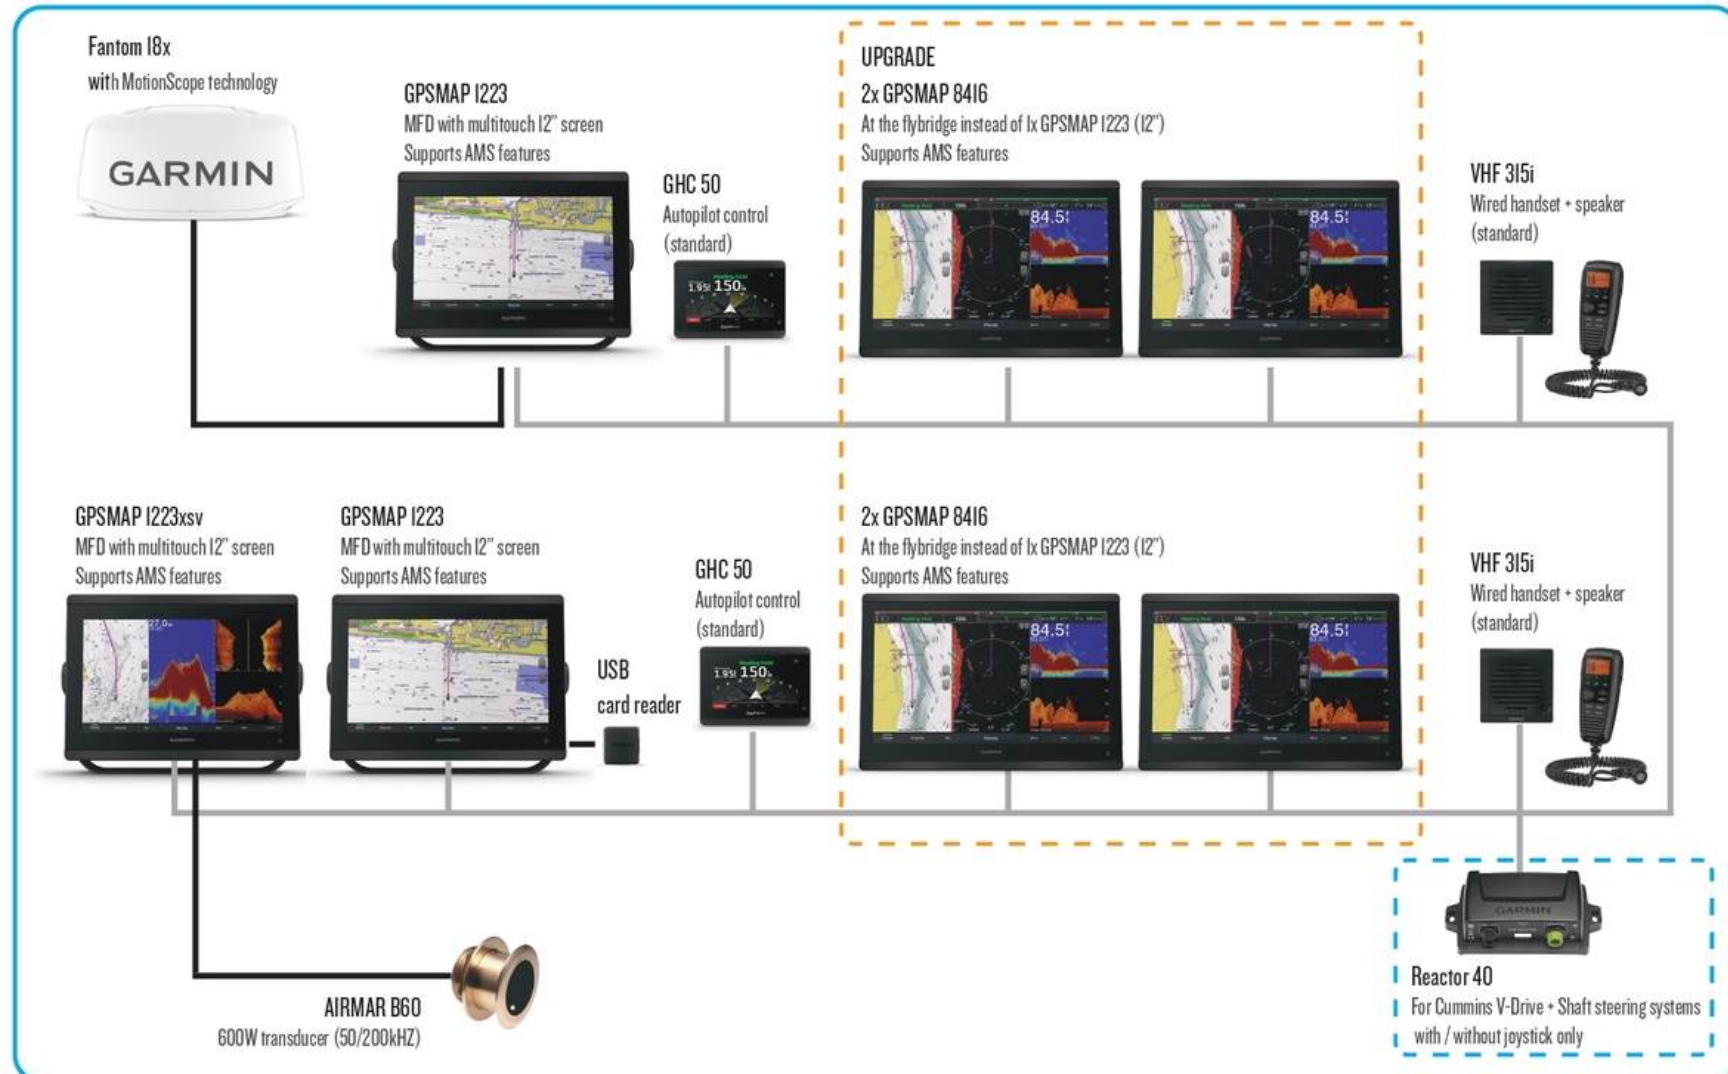

### Surround View Camera system

- Live **Bird's-eye view** helps you maneuver your vessel.
- Dock and maneuver in tight confines with **full 360-degree helm visibility**
- **Visual Bumper** feature helps the captain see when docks, piers or other objects breach preset barrier limits around the boat.
- In tight maneuvering situations, **distance markers** around the boat provide visual cues to help maintain safe clearance and separation

# CHILLED WATER MEDITERRANEAN AIR CONDITIONING: 108 000 BTU - 3 STATEROOMS

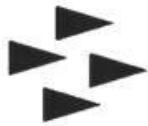

# CHILLED WATER TROPICAL AIR CONDITIONING: 138 000 BTU - 3 STATEROOMS

## PERFORMANCE : CUMMINS 8.3 ZEUS - FULL LOAD

### Prestige X60 – Performance (Full load/POD ZEUS)

Speed (knots)	Engine RPM	Fuel rate (L/h)	Fuel rate (US Gal/h)	Efficiency (NM/L)	Efficiency (US Gal/NM)	Range (NM)
4,8	600	4,8 l	1,3	1,0l/miles	3,8	2078 NM
6,9	1000	11,6 l	3,1	1,7l/miles	6,4	1249 NM
9,9	1600	47,0 l	12,4	4,7l/miles	18,0	442 NM
11,4	2000	94,4 l	24,9	8,3l/miles	31,5	252 NM
11,5	2200	117,4 l	31,0	10,2l/miles	38,7	206 NM
12,4	2400	146,4 l	38,7	11,8l/miles	44,7	178 NM
16,9	2600	182,0 l	48,1	10,8l/miles	40,9	194 NM
18,6	2800	208,0 l	54,9	11,2l/miles	42,4	188 NM
20,5	3000	240,0 l	63,4	11,7l/miles	44,3	179 NM
21,4	3050	246,0 l	65,0	11,5l/miles	43,5	183 NM

Top Speed is 21,4 kts with a consumption of 246L/h

Cruising Speed is 17-18 kts with a consumption of 190L/h

2 x Cummins 8.3  
600HP

Full Load : 29 800kg
