MAIN CHARACTERISTICS

Length over all _____ 14.79 m / 48'6"
Hull length _____ 14.37 m / 47'2"
Hull beam _____ 6 m / 19'8"
Draft _____ 1.2 m / 3'11"
Maxi air draft _____ 5.9 m / 19'4"
Maxi air draft with hardtop _____ 7.6 m / 24'11"
Light displacement _____ 18639 kg / 41092 Lbs
Full load displacement _____ 25964 kg / 57241 Lbs
Berths _____ 6/8 + 1
Cabins _____ 3/4 + skipper option
Architect _____ Garroni Design - Philippe Briand

CAPACITIES

Fuel capacity _____ 1200 l / 317 US gal
Water capacity _____ 600 l / 159 US gal
Hot water heater capacity _____ 60 l / 16 US gal
Holding tank capacity _____ 176 l / 46 US gal

MOTORIZATION - PERFORMANCES

Engine power _____ VOLVO 2 x D4-320 CV - V-Drive
Max. speed _____ 17.7 nd
Cruising speed _____ 15.8 nd

EQUIPMENTS

Platform dimensions _____ 350 cm / 11'5" x 140 cm / 4'7"
Optional platform load
capacity _____ 200 kg / 441 Lbs
Hydraulic gangway
dimension _____ 97 cm / 3'2"

* Optional equipment

ENTER A NEW DIMENSION

PRESTIGE M48: LIVE IN HARMONY WITH THE SEA

Prestige created a revolutionary multihull base that enables unrivalled limitless space onboard: with this new multihull yacht, PRESTIGE takes a major step, offering an all-new experience in the art of living well.

The M48 reveals generous, brightly lit, and refined living spaces, affording the ultimate in comfort. It promises life in harmony with the sea and at a gentle pace.

Unique in its segment, this yacht features surprising characteristics, offering unparalleled freedom of movement and stability to experience peaceful moments at sea.

Benefiting from an outward facing design, the M48 enables you to truly reconnect with nature and with yourself.

THE LUXURY OF SPACE

This 50-foot catamaran affords an interior volume equivalent to that of a 60-foot motor yacht.

The deck surface - now rectangular - allows for an optimized layout. Vast zones for relaxation on the deck and flybridge have been reconfigured.

The bridge deck has been exploited to provide living space and storage. The bottom of the hull and the central part were positioned to offer the best balance between livable space and seaworthy qualities.

The M48 benefits from a wider beam than a monohull motor yacht of equal length, allowing for a full-beam owner's suite, as well as entirely unique guest cabins.

THE LUXURY OF SPACE

This 50-foot catamaran offers ample living space throughout the yacht:

- An Immense Flybridge
- An Open Cockpit and a Swim Platform to Fully Experience the Sea
- Forward, an XXL Sun Lounge
- On the Interior, Voluminous Living Spaces
- A central galley facilitates flow of movement on board

STABILITY FOR WELL-BEING

PRESTIGE's experience in the construction of seaworthy motor yachts has benefited the M48 with an excellent stability and handling at sea, for smooth, enjoyable cruising in any sea conditions.

The stepped hull is particularly pronounced to efficiently cut through the waves and diminish the effects of the spray. The nacelle has also been sculpted to limit the water slapping under the boat at any speed.

The two-hull architecture of the catamaran allows for a natural and efficient stability of the M48.

These architectural features enable you to enjoy all living areas in ideal conditions, including the open decks, such as the flybridge, which are traditionally more exposed. The reduction in rolling is remarkable, as much at anchor as while cruising, and at any speed, since the hull of a catamaran does not need to plane to gain stability.

THE BENEFITS OF A GENTLE PACE

The performance of the M48 has been optimized for a cruising speed of between 8 and 18 knots, with a propulsion provided by 2 x 320 HP. The top speed is 20 knots.

At lower speeds, a multihull on a wet surface area that is 20% less than that of a classic hull results in lower fuel consumption than a motor yacht of the same proportions and affords greater range and autonomy.

Thus, fuel consumption is reduced, and cruising range varies from 250 nautical miles at 18 knots to over 600 miles at 8 knots.

In addition to lower costs, the carbon emissions are reduced, and cruising is more respectful of the environment.

The M48 enables you to experience cruising in harmony with the sea.

REFINEMENT, DOWN TO THE SMALLEST DETAILS

An atmosphere offering new colours and materials, with a level of finish worthy of the greatest yachts.

CONSCIOUS LUXURY

Experienced esthetic designers and environmental sustainability along with endless options for customization.

Owner version
Shining wood

GARRONI DESIGN

A HIGH QUALITY OFFER

- Harmonious shade and high quality fabric
- Design furniture selected from the most prestigious brands :

All exterior furnishings are from the outdoor collection by RODA, constructed in materials that are perfectly adapted to use at sea.
They also offer a considerable weight reduction, with a lighter, airier style than traditional polyester seating, as well as new modular possibilities.

RODA

IN LINE WITH THE ENVIRONMENT

- An eco-design approach: environmentally friendly manufacturing process and the use of products with a low impact on the environment. Reduced consumption and emissions
- New material integrated into our composite parts used for the conception of the structural parts of the boat: **PET foam core***.
 - **Ecological:** the product is recyclable/recycled and has no chemical treatment. It also contributes to the reduction of CO2 emissions thanks to a low-polluting transport.
 - **Lightweight and malleable:** considerable weight reduction. It avoids weakening of the structure in case of collision or overload of the boat.
 - **Resistant:** the foam absorbs damp in case of a leak and does not decay in the hull.

*composite part used in the sandwich method of shipbuilding.

INFUSION

Which traps solvents and prevents release of volatile organic compounds into the air

ECOLOGICAL PRODUCTS

Varnishing/ low level of solvents and curing by UV lamps

RECYCLABLE COMPOSITE

Use of PET foam, which is 100% recyclable by the water bottle industry and 10% recycled.

"An eco-responsible attitude with a high level of commitment."

IN LINE WITH THE ENVIRONMENT

"Combine ecology and economy"

- The search for committed, ecologically sensitive partners: a high-end, ethical and organic alliance
- PRESTIGE M-Line guarantees optimal fuel efficiency, thanks to the catamaran hull design. It is 30% more efficient than a monohull of equal length.
- Trust and reliability: worldwide renowned certifications and a world-class warranty
- Fair trade & responsible commitment to the world's forests: use of natural materials

CONSCIOUS LUXURY

Mona Lison (organic bed linen) - Villeroy & Boch (energy efficiency and choice of raw materials) - Foglizzo (preservation the natural beauty of leather)

RECOGNIZED LABELS

Certified for the quality of conception and construction, for environmental protection

SUSTAINABLE

Wood: sourced from responsible management of the world's forests

EFFICIENT CRUISING

An optimal fuel efficiency thanks to the catamaran hull design

SERENITY

First class warranty: now and for the future

NATURAL MATERIALS

Fair-trade, bio/organic materials for bedding

KEY FEATURES

- A Easy access from the galley
- B Hardtop in option
- C Foredeck with lounging area
- D RODA furniture

KEY FEATURES

- A Access from the cockpit to the terrace
- B Double access to bathing platforms
- C Infinity cockpit
- D Flybridge with 19.5 m² of living space
- E Spacious space on the foredeck

FLYBRIDGE

- A Wide staircase - Gentle and safe slope from the cockpit
- B Sunpad with adjustable backrest
- C Galley, storage, in option: fridge (50L) and grill
- D Convivial dining space can accommodate 6-8 people (with 2 additional chairs)
- E Co-pilot area with double bench seat facing the navigation
- F Fully equipped main steering station

AN IMMENSE FLYBRIDGE

- Very large flybridge: 20 m² of living space
- Rigid Hardtop (in option)
- RODA outdoor furniture

AN OPEN COCKPIT ALLOWING A GREAT CAPACITY OF WELCOMING AND CONVIVIALITY

- A Dining/relaxation area for 8pers.
- B Ice maker in option
- C Lounge area oriented to the sea
- D 2 teak tables convertible into one large table

COCKPIT - STORAGE FOCUS

- 2 storage lockers above the engines (separating floor). Access from cockpit via 2 hatches port and starboard (see picture, white squares)
- Aft locker accessible from the cockpit via a central access (see picture, red square)

EXCEPTIONAL TRANSOM EXPERIENCE

STORAGE COMPARTMENT MODE

LAUNCH OF THE TENDER MODE

TERRACE MODE

FOREDECK: A PRIVILEGED SPACE FOR RELAXATION, OVERLOOKING THE SEA

- A U-shaped front sofa with coffee table
- B Front sunpad
- C Foredeck lounge package (in option): RODA sofa (A), sun awning with carbon fiber poles, 2 pop-up lights

MAIN DECK - SMOOTH AND EASY CIRCULATION

- A Opening bay window between the galley and the cockpit
- B Side door to access the side deck
- C Large symmetrical side decks (45cm/1'48")
- D Private stairs for each stateroom
- E Access to the skipper cabin

MAIN DECK - INTERIOR

- A** Opening window between the galley and the cockpit
- B** Central galley fully-equipped
- C** Dining area for 6-8 people
- D** pop-up TV cabinet (49")
- E** Direct access to master stateroom (only 3 steps)
- F** Interior cockpit or storage area, as desired

A BREATHTAKING SEA VIEW

- A lounge as big as a 60-foot monohull!
- 360° vision: exceptional natural light and visibility thanks to panoramic windows
- Natural ventilation thanks to the 2 ceiling opening hatches and the side door
- Large bench seating in U-shape
- Convivial dining area for the whole family
- TV corner for relaxation
- Storage space as standard (instead of the interior helm station)

SALOON WITH LOWER HELM - WALNUT

A CONVIVIAL GALLEY

- A fully equipped, functional and user-friendly central galley:
 - 3-burner induction cooktop (standard)
 - Electric oven/microwave (standard)
 - Dishwasher (option)
 - Fridge (standard) with optional stainless steel fridge with larger capacity
 - Laminam worktop (option)
- Lots of clever storage space

HELM STATION

Version N°1:

- Flybridge helm station
- Wheelhouse: storage cabinet
- Optional: drawer fridge (90L)

(CAUTION: WHITE OAK VERSION AVAILABLE LATER)

HELM STATION

Version N°2:

- Flybridge helm station
- Interior helm station including:

-2 windscreen wipers, windscreen defogger, 1 pilot seat with Dolce Black upholstery, Prestige leather steering wheel, dashboard with Volvo instrumentation and engine controls

-Electronic package for 2 stations in wheelhouse (2x 12" Garmin screens, VHF)

LOWER DECK - 3 STATEROOMS VERSION

- A Exceptional owner's suite
- B Separate toilet with sink
- C Private shower for the owner
- D Guest stateroom with standard sliding beds and ensuite bathroom
- E Guest stateroom with standard sliding beds, and bathroom
- F Day head
- G Double wall with soundproofing foam
- H Optional crew cabin
- I Separate shower for the skipper

A UNIQUE OWNER'S SUITE

- 5m wide owner's suite !
- A 180° view of the sea
- Plenty of storage space
- A direct access to the bathroom

OWNER'S SUITE: STORAGE FOCUS

- A Shelves
- B 5 drawers bureau
- C Large drawer on each side of the bed
- D Drawer under the sofa
- E 2 bedside tables with drawer

OWNER'S SUITE: STORAGE FOCUS

A

Walk-in-closet

OWNER'S BATHROOM

- Owner's suite with direct access to the private bathroom
- Separate toilets
- Corian worktops with sink, corian floor, lacquered furniture, backlit floating mirror

SHOWER AND SINK TO PORTSIDE

OWNER'S BATHROOM

TOILET AND SINK TO STARBOARD

GUEST STATEROOMS

- 2 symetric guest staterooms with seaview from the bed
- Sliding beds (standard)
- Lots of storage space: walk-in-closet, shelves, storage box under the beds
- Full-length mirror

WALNUT VERSION - STANDARD

GUEST STATEROOMS

- 2 symetric guest staterooms with seaview from the bed
- Sliding beds (standard)
- Lots of storage space: walk-in-closet, shelves, storage box under the beds

BATHROOMS - GUEST STATEROOMS

Each guest stateroom has its own private bathroom with separate shower

LOWER DECK - 4 STATEROOMS VERSION

4 STATEROOMS 4 BATHROOMS

- A Owner's stateroom
- B VIP stateroom
- C Guest stateroom 1
- D Guest stateroom 2
- E Optional crew cabin
- F Bathroom of the skipper cabin

Each stateroom has sliding beds as standard and its own private bathroom with separate shower

PRESTIGE M48 - ELECTRONIC PACK

Fantom 18x / Fantom 54 - Solid-state radome with MotionScope Technology™

- **50 W Solid-state dome radar** (Low power consumption, instant turn on and no warm up delay)
- **MotionScope™ technology** uses the Doppler effect to detect moving targets so you can avoid potential collisions
- Basic features: Dynamic Auto Gain, Sea Filter, MARPA support, Radar overlay, Guard zone
- **Advanced features:** Auto Bird Gain, Echo Trails, Pulse Compression, Target Size, Dual Range
- Excellent close- and long-range detection from 6m to 48/72 nm

AIS 800 - AIS Transceiver Black Box

- AIS Transceiver Black Box
- Integral splitter box
- Integrated AIS target data with information displayed directly on the chartplotter
- **ClearTrack™ technology** ensures that reception is uninterrupted
- Alarm (CPA) via Radar to avoid collisions
- Integral GPS receiver and Dual channel AIS receiver
- Class A and class B reception

GPSMAP® 8416

- **16" full HD IPS touchscreen display**
- Built-in 10Hz GPS/GLONASS/GALILEO receiver
- **Built-in Wi-Fi® for ActiveCaptain™ connectivity**
- **Radar compatible**
- NMEA® 0183 and NMEA® 2000 compatible
- **AMS Compatible**

GSD 25 (Premium CHIRP and Scanning Sonar Module) + Airmar B60

- Includes true **dual-channel 1 kW CHIRP**, plus CHIRP SideVü and ClearVü scanning sonar for the clearest images on the water
- Thru-hull bronze transducer with **50/200kHz** traditional sonar
- Transmitting power : **600W**
- **Water temperature sensor**

VHF 315i / VHF 315

- Up to 25W transmission output
- **All functions and settings are managed via the GHS 11i/GHS 11**
- 4" active speaker with volume knob (supplied)
- Initiate a VHF call directly from your Garmin NMEA 2000 plotter and VHF
- Full Class D Digital Selective Calling (DSC) with built-in DSC receiver
- VHF 315i fits for **EMEA** / VHF 315 fits for **US/Canada**

Reactor™ 40 Volvo Penta

- **Developed in close partnership with Volvo Penta**
- **Solid-state 9-axis AHRS**, reacts to the sea to hold course, even when the boat is unstable
- Minimises heading error, course deviation, rudder movement, power consumption, while providing a comfortable ride
- Minimal commissioning and calibration
- Provides advanced features to compatible Garmin chartplotters such as route following, route engage, and Autopilot Virtual Device

PRESTIGE M48 - OPTIONS

gWind Wireless 2

- features 3-bladed propeller and twin-fin design
- 3-bladed propeller for accurate wind speed in light winds
- Twin-fin design gives a stable wind angle
- Solar panel mounted on the transducer arm
- Internal solar-charged battery lasts 3 years and is easily replaced
- Wind transducer connects wirelessly to a compatible GPSMAP

TV Sat Dome (Dummies)

- Pair of empty TV Sat domes
- Available in 45 or 60 cm diameter antenna
- Dummies units only

GC 14 - Marine camera

- 1/3" Sony 960H Double Scan Super HAD CCD II
- Effective pixels: PAL: 976 x 582
- Viewing angle: 95.0°x52.0°
- **Automatic infra-red functionality**, for day/night (and low-light conditions) up to 15m

Surround View Camera system

- Live **Bird's-eye view** helps you maneuver your vessel.
- Dock and maneuver in tight confines with **full 360-degree helm visibility**
- **Visual Bumper** feature helps the captain see when docks, piers or other objects breach preset barrier limits around the boat.
- In tight maneuvering situations, **distance markers** around the boat provide visual cues to help maintain safe clearance and separation
